

Aller-Chord II

What?

Aller-Chord II is a homeopathic remedy designed to assist with the relief of airborne allergens.

Why?

Allergies can be very frustrating for those sensitive to airborne allergens such as dust, animal dander, feathers or pollen. Homeopathic medicines help the body to recognize irritants that it contacts by offering assistance to deal with these foreign invaders.

Aller-Chord II is designed to support the body's allergy response mechanisms and bring relief to those who suffer from environmental sensitivities. A unique combination of ingredients work together to quickly soothe and desensitize the body, calm the immune system and bring relief from symptoms such as itchy, watery eyes, sniffing and sneezing.

How?

Take 30 drops orally twice daily, or as directed by your healthcare professional. Shake well.
