

Flu-Tone

What?

Flu-Tone is a homeopathic drainage remedy designed to assist the body in opening blockages within the drainage pathways so that illness-causing germs may be efficiently excreted.

Why?

No one likes to suffer from the symptoms of a cold or flu any longer than necessary. At times of illness, there can be a buildup of germs which weaken our body, resulting in symptoms such as fever, aches, headache, runny nose, cough and/or general weakness. **Flu-Tone** is a remedy that assists to move these germs out as quickly as possible by supporting the drainage systems that can eliminate this extra burden. One of the most important systems during a time of illness is the lymphatic system. Sometimes you may have a swollen gland in your throat or neck just before and at the onset of the flu or a cold. This is a sign that the lymphatic system, an important part of our immune system, is working to fight off the germs.

Flu-Tone, taken as your practitioner recommends, along with sufficient rest and proper nourishment will often reduce the time and intensity of the symptoms of an illness.

How?

Take 30 drops orally twice daily, or as directed by your healthcare professional. Shake well.
